▼ Fields

📄 Alignment Check	High-end / premium experience ▾
T Brand Adjectives	Understanding, Skill, Comfort
📄 Clinical <> Friendly	Very Friendly ▾
📄 Desired Patient Feeling	Satisfied, wanting to tell others about the positive experience that they felt. Excited about what is next. Informed and inspired.
📄 Final Gut Check	They were made to feel welcomed, with genuine authenticity, that was naturally choreographed. A wonderful, seamless experience. Taken care of. Listened to. Everything explained and trust them.
📄 Luxury <> Affordable	Slightly Luxury ▾

 Minimal <> Bold	Slightly Minimal ▾
 Modern <> Traditional	Slightly Traditional ▾
 Patient Experience	They should feel welcomed, safe, and with a sense of hope
 Playful <> Professional	Slightly Professional ▾
 Reason for Words	Understanding: Listening skills so that the patient knows that they're heard, which allows us to know how we can help them. Anyone can say that they offer quality dentistry - of course they do. We offer something different, we offer artistry, authenticity, and truly personalized ...
 We Are NOT This (Clari...	We are not volume driven, corporate, quick fix, insurance driven.
