Fields

How should a patient f...	They should feel that we are a knowledgeable practice that focuses on comprehensive care, but are also friendly and welcoming to all.
If your website was per...	They should feel confident that we can support their dental health with the highest quality work
Looking at the website...	Clean layouts, friendly photography, easy booking buttons, easy to find info about how to call and office location (although not actually true of all of them)

🔗 NOT This for my website	NOT cluttered, NOT outdated, NOT overly corporate, NOT confusing
🌐 Reference Website Lin...	🌐 www.scarsdaledentalgroup.com
🌐 Reference Website Lin...	🌐 www.wendodontics.com
🌐 Website Link #1	🌐 www.brooklynperiodontics.com
🔗 What do you like about...	We like the layout and photography, but looking at it more closely now it appears that it cant be improved. Like it is hard to find the office location and phone number....
🔗 What do you like about...	Has nice imagery, has quick and easy access to important information. Makes it easy to book appointments and find out how to contact the office.
🔗 What do you like about...	Clean, modern, makes it easy to book appointments.
🔗 What kind of overall ex...	Calming, premium, friendly
🔗 Which features are mo...	Online booking Doctor/team bios Blog or con
